SEPT 14, 2024

1ST ANNUAL
TEAM CARYS RIDE
POKER RUN, CORNHOLE TOURNAMENT, CAR & BIKE SHOW

September is pediatric cancer awareness month.

Out of all government funding this gets a mere 4%, but deserves so much more. The journey families face is unfathomable, but thankfully there are various organizations out there to help, such as The Golden Circle of Champions & Teddy Bear Cancer Foundation.

We invite you to join us for a beautiful ride/poker run Sat Sept 14. This event is set to bring awareness and financial assistance to pediatric patients in honor of Carys Tomilloso. Our beautiful forever 18 year old.
